

Dear Parents and Carers

** July 2018 Nursery Update **

We just want to start this month's newsletter with a HUGE thank you to everyone who joined us at our Summer Fayre on Saturday 23rd June! We all had great fun and it was lovely to see so many of you and your family and friends! A big thank you to Kay, Sam, Lauren and Abi for organising this event - we raised a total of £486.00 which we are very happy with!!

Sun hat and Sun cream: We have all been enjoying the beautiful sunshine this week; however, some children are still not coming into nursery with a sun hat or sun cream. Unfortunately without both of these the children will not be able to spend time out in the garden! Please can you ensure a bottle of named sun cream and a named sunhat are left in a carrier bag on your child's peg at all times - thank you

Sickness: We have recently had quite a lot of children come down with the dreaded sickness and diarrhoea bug! Please can we remind you all that the children should not be returning to nursery until at least 48 hours after their last bout of sickness and/or diarrhoea.

Please can we stress how important it is that the children **do not** come into nursery if they are unwell or have displayed any of these symptoms - particularly in the summer months it spreads very quickly! Unfortunately on many occasions children came to us and told they have been sick at home.

Pre School Leaver's Prom: Don't forget our School Leavers Prom **Friday 27th July between 2.30-5.00pm**. All children going to School are invited to this special event! If your child **does not** attend this Friday session please drop them off at 2.30 and pick up at 5pm - thank you! A food list will be going up on the door if you would like to sign up to anything we would be very grateful! (If your child attends the Friday all day session you are more than welcome to bring in a change of clothes and we will get them changed nearer the time!)

Term dates:

Summer Holidays - Last day of term is Tuesday 24th July

Kind Regards,
Barbara and the Nursery Team
