

## Dear Parents and Carers

### \*\* August 2018 Nursery Update \*\*

We have spent the last couple of days saying goodbye to our term time Children who have now finished for the 6 weeks summer holidays. We hope you all have a lovely time off and we look forward to hearing all about your adventures when you return! We would like to wish our Pre School Children that have already left for big School lots AND lots of luck! We will all miss you but know that you are going to have the most amazing time at School. We hope some of you will come back and see us in your school uniform! For those that haven't yet left for School, you have a nice few weeks of fun filled activities to enjoy!

**Summer Activities:** You should have now all received your letter with all the information of upcoming activities planned for each day of the summer holidays! ☺

**Late Collection:** Please can we politely remind you all that you need to be collecting your children in enough time before the end of the session. We have recently been having parents collect at 6pm on the dot; however this does not give members of staff time to do a full handover about your child's day. Please can you ensure that you are at the nursery at least 5 or 10 minutes before the session ends to get a full hand over. We will start to give out late fees if this becomes a regular thing. Thank you in advance for your cooperation with this.

**Pre School:** Please can we ask that you do not let the preschool children rush up the stairs in the morning. It is really great that they are so eager to come into preschool however it won't be long before an accident happens! Also please can we politely ask that you do not let the children come up the stairs on their own to either go to the toilet or get their bags if collected from the garden. Thank you ☺

**Term dates:**

Term starts again on Monday 3<sup>rd</sup> September 2018.

Kind Regards,  
Barbara and the Nursery Team
