

## Dear Parents and Carers

### \*\* August 2019 Nursery Update \*\*

We have spent the last couple of days saying goodbye to our term time Children who have now finished for the 6 week summer holidays. We hope you all have a lovely time off and we look forward to hearing all about your adventures when you return! We would like to wish our Pre School Children that have already left for big School lots AND lots of luck! We will all miss you but know that you are going to have the most amazing time at School. We hope some of you will come back and see us in your school uniform! For those that haven't yet left for School, you have a nice few weeks of fun filled activities to enjoy!

**Summer Activities:** You should have now all received your letter with all the information of upcoming activities planned for each day of the summer holidays! ☺ If you have not received one please speak to the girls in your child's room ☺

**New bathrooms!** We are so excited to say that we are getting brand new bathrooms fitted for both Pre School and Toddlers! We will be getting as much of this work done over the weekends so there is little disruption for the children during the week. Please just bare in mind that there could be a bit of mess during this time and the bathrooms may not look 'fantastic' whilst the work is being carried out over the next couple of weeks - but the wait will be worth it ☺

**Parking on the drive:** A polite reminder to those who use the drive way. Please ensure that you are parking on the drive and not over the pavement blocking the path for others to use. We have had a few complaints from people passing the Nursery that have had to walk round onto the road to get past. We thank you in advance for your cooperation with this.

**Payment:** Despite previous polite requests we have some parents/carers who are continuing to not pay on time monthly, or indeed have their months balanced cleared before the end of that month. This is having an impact on us as a business and it will be addressed directly with those not paying. Please understand that it is always a last resort but we will issue late fees for non-payment. On this occasion (End of July balances) we will be contacting to address your arrears and as long as payment is made imminently we will not add fees, however after the 30<sup>th</sup> August late fees will automatically be applied to those accounts not clear.

#### **Term dates:**

Term starts again on Monday 2<sup>nd</sup> September 2019

Kind Regards,  
Barbara and the Nursery Team
