

Dear Parents and Carers
**** May 2019 Nursery Update ****

Staff Changes: As you are all aware, we have had some staff changes recently within our lower Nursery. We understand this can be daunting for you; however, we would just like to reassure you all that these are positive and thought-through changes.

You all know Sam who has been our baby room senior for a couple of years now, she is now our Toddler senior and is extremely excited for her new role! Molly worked for Puddleducks a few years ago and was much loved however she left to experience a different age range. Molly is very excited to be able to return to us and taking on the baby room senior role w/c 7th May and we are so pleased that she is joining us again. Molly has since specialised in care of babies, so she was thrilled to hear we had a position available within our baby room.

We then have Charlotte who you will have all seen over the last couple of years as a member of bank staff, she is now working full time within our Toddler room's and the children absolutely love her! You will also by now have met Brittany who is working full time with us, she is now settled in well and the children have already started to make great bonds with her! We also have a lovely lady called Saskia who will also be working every morning with us across the Nursery.

We will then just be recruiting for one more member of staff within our Toddler room just because we are so busy, but we are making sure we find the right person for our Nursery; therefore we are taking our time. We are certain that you will get to know our new ladies very quickly, and of course our existing ladies are still here and that you know very well.

Parent's Evening: Don't forget our next Parent's Evening **w/c 13th May!**

Half Term: Our next half term is the w/c 27th May ☺

Please don't forget that we will be **closed** on Monday 6th May and Monday 27th May for the bank holidays!

PJ Day: We will be having a PJ day on Wednesday 22nd May to raise money for the crackerjacks children's charity!

Warmer weather: Please can we ask you all to start bringing in a named sun hat and sun cream to be left in your child's bag on their pegs now that the warmer weather is starting to arrive! ☺
